Parents/Guardians of Leaving Certificate & Junior Certificate Students

Pre-State (Mock) Exam Fees 2021

Dear Parents/Guardians,

Due to the ever-increasing pressures on school finances it is necessary to continue with a charge (€100) to assist towards the purchase and correction (externally) of the pre-state examinations as introduced by the Board of Management in 2019. This is common practice in second level schools and is heavily subsidised by the Board of Management. The pre-state exams are scheduled to commence in February.

Conscious of the expense incurred by families at this time of year we are requesting that the fee be paid by the end of February 2021. You can pay at the main office in the school (Covid restrictions apply) or by logging on to www.carrigcs.ie and following the "Payments" tab.

The fee is reduced to €20 for a student who holds a current, valid medical card. Proof of medical card & €20 fee should be dropped into the main office of the school by the student.

Thank you for your co-operation.

Yours sincerely,

Paul Burke

Principal.
